Research Symposium

November 29th 2024

Heidelberg University Hospital 10:00—18:00

Bridging Disciplines: Advancing Sex and Gender-related Research in Biomedicine

Join us if you want to:

- Uncover how gender and sex influence disease symptoms and their molecular mechanisms.
- Learn why considering gender in clinical research is crucial for treatment success.
- Connect to other scientists working on sex and gender-related research fields

Keynote/Panelists:

- Prof. Dr. Dr. Lia Bally
(University Hospital Bern)
- Dr. Theodore S. Kapellos
(LMU clinics | Helmholtz Munich)
- Prof. Dr. Sabine Ludwig
(Innsbruck University)
- Prof. Dr. med. Carolin
Lerchenmüller (Zürich University)
- Prof. Dr. Christiane Schwieren
(Heidelberg University)
- Prof. Dr. Gertraud Stadler
(Charité Berlin)
- Prof. Dr. med. Wolfgang Wick
(Heidelberg University)

Sponsored by:

Health + Life Science Alliance
Heidelberg Mannheim
