KIDSCLUB AT HEIDELBERG UNIVERSITY

A large orange circle is surrounded by colorful silhouettes of children in various poses and colors (red, yellow, green, orange, blue, purple, teal).

The KidsClub is a
childcare facility at Heidelberg University
which offers short-term care
for children between the ages of one and six
(on an hourly basis from
Monday to Friday 8.30 am–4.00 pm).

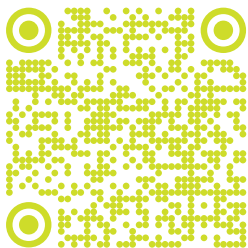

This service is aimed in particular
at visiting scholars who are teaching or working
at a university institute or facility.
A team of multilingual professionals
accompanies and supports their
development process.
